THE WEEKS

April 26, 2025
ROG DEN THEATRE
Denver CO

Anyways, it's really great that it's easy to find that out, and share with the rest of the world, thanks to the many digital services that we use. That's right, I'm talking those end-of-year recaps, that AirPods thing that was popular, or even, I dunno... Last.fm, who still uses that?

Alright then, enough college for now, it's been fun. I'm outta here (and thanks KCSU!!!)
